**Family Team Award**

CGA is a Family organization and in recognition of the many families that ride together in CGA we offer a Family Team Award available to all riders regardless of ability.

The Family Team Award is 60 days retroactive from the date of the postmarked application or the show date if applicable. The \$100.00 fee per rider includes the Year End Award Level 1, Silver Buckle, Silver Breast Collar Set. For an additional \$20 the applicant can include both Level 1 & 2 Year End Awards.

The Family Team Award is a Special Jacket for each team member embroidered with the riders first name and rating division on the front. The back of the jacket will have a barrel racer figure (male or female) and the last name of the "family" above the words "Family Team Member". All jackets within a "family" must use the same last name. Teams may consist of parents, children, grandchildren, cousins, aunts, uncles, or any other relatives so long as the last name is the same.

All riders on a "team" must earn at least a FC rating in order to qualify for the jacket. That means that all the riders on the team must complete at least 3 good rides in at least 4 events to qualify for the Family Team award.

Each team member's jacket will reflect their own rating level and each member will receive their own rating level for the year end award that is included in the \$80 fee.

This is a great way for the entire family to participate and work towards an award that they can wear with pride.

Sign up today so that your family doesn't lose any rides. This is a fun award to earn and a great way to enjoy gymkhana with your family.

### DISTRICT 1 - BAY AREA TIME BUSTERS SAN JOSE/GILROY

<http://www.batbgymkhana.com>

By Sheri Herchkorn

Hello from District 1. Hope you all have recovered from the busy Holiday Season. Due to the rain, we had to cancel our show for January 12 and at this time are hoping to have a show on our rain date of January 19. We need the rain, but it would be nice if it stopped so we could still have our shows.

Rumor has it that we were thinking of all donning wetsuits and having a water ski competition at the Odom's arena, or having a fishing derby! The parking lot is great, but the arena is a lake. Since I don't think water skiing is any safer than riding a horse, I voted for the fishing derby! But since the arena is sand, Rodger says if it doesn't rain anymore it should be great by the 19th !!

So since I have no show results, I can do catch up on things that I missed telling you all about. As you know we have our monthly board meetings, the first Wednesday of the month. We always have the same people show up with the exception of an occasional visitor. Well we had decided to turn our December meeting into a meeting/ Christmas Party. Gayle and Bob Lewis were kind enough to hold the meeting at their house in San Martin. We had a wonderful dinner and gift exchange. So start coming to those meetings and be apart of the party next year.

I forgot to tell you all that Farrell Rand, who had the accident and broke her arm last fall, is all better and planning to ride again at the next show. Farrell who couldn't ride for a couple of months, still came out to our shows. She always helps with sign-ups, but last show she was up in the booth learning all about how to run the show. Of course the group had to fight off the hornets who had decided to make a home in the booth roof and the heater being turned on brought them out. The guys inside were wacking away at them, and I was outside balancing on the arena fence to spray the ones caught in the window screen with pesticide. It had to look so funny! We had to stop the show a couple of times for a hornet fight and then get back to the show. But you have to be careful with those guys, if they get mad somebody is going to get stung. So hopefully they had enough and moved out!

We are really excited, Mike Behning is building us a new computer !! Our old laptop has seen better days, and since we have the new super fast printer, we decided we best get a new computer to go along with it. Better to do it before it dies than after. We wouldn't want it to do decide to quit during a show so the new one will be ready for our first show of 2008.

All of us at district 1 are really looking forward to our 2nd annual Aloha Show that will be June 7 and 8th. We will have beautiful trophy saddles and the really popular custom made Crumrine buckles with the palm tree on them. As I said last year, I really wanted one of the buckles, but you gotta ride !! We will be sending out entry forms and have one in the newspaper in April so be watching for them. We will have to limit the numbers of entries due to parking. We are planning on music and a BBQ Saturday night, so you don't want to miss this show.

If any of you are interested in helping sponsor these awards or getting sponsors, please contact me. We have the sponsor letters available and will be advertising our sponsors in our articles and out at the arena. Sponsors can also place banners at the arena.

If you haven't done so, check out our District 1 web site at Batbgymkhana.com. Web

Page 4

master Danna has done a nice job on the site and is still doing improvements. But the schedule of shows and events is up along with photos. You can check the site for show cancellations in case of rain.

Gayle Lewis and Pam Novinsky are in charge of show highpoint awards and they are coming up with some awesome awards. We are also going to be having workers coupons with some great workers gifts and the chance to win \$50.00 @ each show. Now working means more than coming out to the arena for 5 minutes, but we would love to have each of you win \$50.00 but you can't get a coupon if you don't work. We also have a stamp card that you can use instead of taking ribbons. When the card is filled up with stamps, you get a free show. Ask for details at the next show, but the cards are available at the booth, and the stamps are placed at the end of the show. All you needs is your pink sheet.

Sign up forms for district year end awards are also available at the shows. The awards are really nice and we hope to have alot of you sign up and be presented them at an awards banquet after the show season is over. I think year end awards are not only something to work towards, but are a nice present for yourself to acknowledge all you and your horses hard work through the year.

We are also planning to have a regular snack shack available at all shows this year. It is nice to be able to plan to have some good food while you are out having a fun time. We just might be able to get back the "Gringo and Beaner"(Dave Herchkorn and Joe Munoz) who made such wonderful food for us at a show last year. The Carne Asada tacos and breakfast burritos were awesome!!

Hope to see you all soon, and until next time, be safe and wear those helmets.

### DISTRICT 4 - SOLANO COUNTY AREA CIRCLE D HORSEMEN

<http://circledhorsemen.com/index.htm>

By Spring Krogue

We hope that everyone has had a nice break, though I know several die hard gymkhana riders have been hitting up the indoor arenas in Livermore and Ione! Circle D Horsemen is excited about the upcoming season and we are looking forward to hosting several wonderful gymkhanas. In December we elected our new officers, Sara Allard - President, Dianna Malley - Vice President, Gale Briles - Secretary, Juliet Primeau - CGA Show Secretary and Bev Hampton - Treasurer. The board members are Anna Hernandez, Carla Olsen, Timmi Lemen, Chrystal Moore, Toni Rosenberger, Barb Stocking and Tricia Kash is our Jr. Board Member.

Exiting News!!! At the January general membership meeting a motion was made to purchase a new (gently used) tractor. The tractor that we purchased about 10 years ago has unfortunately died. Timmi & Ray Lemen are heading up the purchase of our new tractor, hopefully by the time you read this we will have a new tractor, yeah!!!! At the time that I am writing this article we don't have anyone committed to working the ground for us prior to every show.... Perhaps our new tractor will entice you! If you are interested please come to a meeting and discuss it with us, we do compensate the tractor and water person with free shows.

This seasons show schedule for Circle D Horsemen, CGA District 4 was approved, it is listed here in the paper along with on our website, [www.CircleDHorsemen.com](http://www.CircleDHorsemen.com). Our website is updated constantly so be sure to check it for exciting news.

Sponsors: Our schedule is set so we are ready to start lining up sponsors, if you or someone you know is interested in sponsoring a High Point or Reserve High Point please contact Barb Stocking at 707-249-8206 or [bcstocking@aol.com](mailto:bcstocking@aol.com). Barb will go over the dates with you and make sure that the show you wish to sponsor will be yours!

**DISTRICT 5**  
**RIO LINDA/ELVERTA AREA**  
**LATE NIGHT RIDERS**  
**By Charlie Moore**

Happy Hearts and Chocolates Day, especially chocolates!!! Well, here we are in the mid winter wet season and the Rio Linda arena looks like Lake Rio Linda!!! Too bad it doesn't get cold enough to freeze because then we could have an ice rink.

The Sacramento area got nailed with a doozy of a wind storm on the Friday after New Year's Day. We lost power for nearly 30 hours and my horse shoer is still without power as I write this. He only lives one street over from here. There were power poles, trees and fences down all over the place. So here's hoping that all of you are safe and snug and warm.

The big news is that the Late Night Riders will have a club trail ride at Pt. Reyes on April 19 & 20. Everyone is invited but you have to make your own reservations at Stewart's Horse Camp. The cost is \$15 per person per night. That includes your horse. They have a great camping area with hot showers and indoor toilets. There are lots of BBQ pits and picnic tables although if the weather is too dry you can't build a fire. There are poles for setting up high lines or you can tie to your trailer or set up a portable pen. There are many miles of great trails from giant redwoods to a great rift trail and you can even ride to the ocean and back. Our club hasn't done this before so we are all looking forward to having a non CGA event. The phone number to call for reservations is 415-663-1362. Hopefully the weather will be great and this will be a lot of fun.

We are all disappointed that there will not be a Northern Classic this year but I hear through the grapevine that District 49 is still planning to have a great 2-3 day show in Paradise on Classic weekend. So we can still get in 3 rides in all the events and have great awards, it just won't be Northern Classic. Maybe CGA Paradise Classic???

That's all for now. Our first show of the new year will be March 1, 2008. It will be a Type 2 show with Fig. 8 Stake, Keyhole, Poles II, Quadrangle, Speed Barrels and Big T. Come on out and see how the ground is at the Rio Linda Horse Arena. You just might get a personal best time.

Our club meets on the third Sunday each month at Perkos at Elverta Crossing, corner of Watt and Elverta Rd. Everyone is welcome to come to the meetings and find out what is going on at District 5.

Until the next time:

Ride Fast - Ride Safe - Wear Your Helmet!

**DISTRICT 8**  
**TRI-COUNTY RIDERS - SALINAS AREA**  
**By: Tammy Pigao**

Hello Riders,  
I hope that you all are enjoying the luscious green fields and smell of the clean air that each rain storm brings. (I like the sun too but do try to find the positives in every day!).

I cannot believe it's already time, but it is, and your District 8 Board of Directors is starting to plan the 2008 Firecracker Frenzy! If you haven't scheduled your vacation around the dates yet, now is the time! It's going to be held July 4th-6th this year. We

had several riders ask about sponsoring this event last year and that is soooooo awesome! If you are still interested in sponsoring this year's Firecracker Frenzy, please give us a call or send an email (831) 207-7396 Tammy's Cell or (831) 722-7322 Arlene's home phone. It will be hard to pull together a more fabulous event than last year, but if everyone pitches in it will happen. This event runs mostly on sponsor contributions and many of those come from riders so we will be counting on you again this year if we want to offer another trailer full of awards (\$10,000 worth last year!!!). Can you imagine improving that? Wow!

By the time you read this we should have our show dates final and published on the website so check them out on [www.cgasalinas.com](http://www.cgasalinas.com) ... click on "Shows" to get to the dates. We hope to see you there!

Keep warm and God Bless,  
Tammypi

Karlie Boles on Dinero also ran a supreme time in Figure 8 Stake with a time of 10.698.

High Point winners were:

- AAA+ - Karlie Boles - Dinero
- AAA - Johnny Tassone - Tizzy Fit
- AA Y - Marley Howit - Mr. Gunfire

**RIVERSIDE RANGLERS - NORCO AREA**  
 by Vickie Saenz

Hello Ranglers,  
 Well our first show of the new 2007 season started off a great weekend. We had 48 riders and very strong winds and everyone rode some great times and were safe. The ground was a little deep but overall very good. Our two day show made up our canceled October show due to the Southern California fires. Sunday we had 44 riders and alot of arena help. Welcome and Thank you to all our new riders and old, you guys are fantastic without you we couldn't make this show possible.

Our third show of the season went great, the ground was good, we had some great times, and a lot of new faces. Thank you to all of our wonderful riders, you are all fantastic, whenever we called for extra help in the announcers booth or in the arena you were there to help out. Extra special thanks to Imrich and Sherry Toman, Sherri Lebron, Rita Newell and Sandy Mielo, if we missed anyone we apologize, they spent their whole day working in the arena. We are looking forward to our next show January 26 & 27, a two day show, our Saturday show is a regular show and our Sunday show is a double point show with no day awards due to it being a fundraiser show. We hope to see all of you at our next show.

Even a covered arena is no match for Mother Nature when she's having a fit. The wild winds on Friday, January 4, blew the rain into the arena on both ends soaking the ground till it wasn't fit to use. Reluctantly President Amanda and Show Manager Jeanne decided to cancel Saturday's show. A notice was put up on the District web site and emails were sent to everyone on our list. If you didn't get the word and showed up only to find the show canceled we apologize but we tried. We hope to be able to make it up to all of you at the January 19 show.

Ray and I had driven the four hours over to Mammoth on Wednesday for a big family get together but planned to be home on Saturday before the show was over. I apologize to all of you who called and emailed me for information and didn't get answers till too late. The storm in Mammoth was unbelievable. Took us hours to dig our car out on Saturday and then, since all roads home were closed, we went the long way....via Bakersfield. Twelve hours later we were finally home. I've seen my quota of snow now, thank you very much.

Our snack stand will be up and running at the rest of our shows and we hope the weather man will help us out a little. Don't forget that we sign up at 8 and ride at 9 the rest of the season. If you haven't signed up for our district year end awards it's time to do that now. You don't want to miss out.

The December show was another success! Thank you to all who participated, especially to those who helped. The ground was superb – thanks to the ground crew led by Scott Pinkerton. You may be wondering “How do they get the ground prepped so well?” Well, here's a little insight. On Friday, the day before the show, in the crisp (ok, REALLY COLD) air Scott and Jennifer fired up the venerable, leaky water truck, loaded it with water (yeah, there's nothing more refreshing than being showered with water when filling the truck on a cold winter morning), and did their laps around the arena. They repeated this three more times, giving the ground a good soaking. After

surveying the ground early Saturday morning, Scott decided to throw one more load of water on the ground. Meanwhile, John Fiedler was troubleshooting the non-starting issue with his tractor. He finally managed to get it started when he ran into another problem – the rake would not dig into the ground deep enough. Scott, John and Dan MacDonald brainstormed to find a solution...rake surfing! Scott and Dan donned their wetsuits and hopped aboard the rake. John towed them through the arena. The judges gave them scores of 7, 6, and 7...not bad for their first time out. Let's see if their scores improve at the next show. Next time you see Scott, John and Dan, thank them for their hard work preparing the ground...or if you'd like to join in on the fun, just let them know.

After dealing with these issues, the show began a bit late. But that didn't stop the 57 riders and their mounts from having a great day...except for all the no times in flags. High Point and Reserve went to the following riders:

Pony	AAA+ Horse
High Point Tegan Moorman	High Point Ariane Kuhnert
Reserve Kaitlin Bourassa	Reserve Megan Moorman
AAA Horse	AA Horse
High Point Julie MacDonald	High Point Samantha Hughes
Reserve Kim Swan	Reserve Lyn Siewert
A Horse	FC Horse Youth
High Point Janet Lewis	High Point Ian Shook
Reserve Dorothy Bragdon	Reserve Charlie Fiedler
FC Horse Adult	
High Point Linda Adame	
Reserve Deborah Jasper	

Congratulations to all! In addition, we would like to congratulate Ariane Kuhnert, Megan Moorman, Tegan Moorman, and Monica Michaels for breaking arena records. Ariane set records in Barrels, Birangle, Flags, Stake, and Speed Ball. Megan set records in Poles 1 and Big T. Tegan set Pony records in Birangle, Flags, and Poles 2. Monica set the Pony record in Stake. Great job!!!

This show also concluded the Fall Series. The winners of the Fall Series are:

Pony	AAA Horse
High Point Kaitlin Bourassa	High Point Kim Swan

## DISTRICT 45 GYMKHANA RUSH RIDERS SONOMA/MARIN COUNTY AREA By Annette Garcia

Happy New Year from the Gymkhana Rush Riders! Let me tell you that December was simply ma-ve-lous! We kicked off the Holiday Season with our very first "Reindeer Games" Holiday themed show, and with lot's of club, work & family parties' attended, plus free time to ride. If anyone is doing anything [shows, parades, trail rides, etc.] with their horses this winter we want to know about it send the details to [cgadistrict45@yahoo.com](mailto:cgadistrict45@yahoo.com). Also, do you have a New Year's Resolution list that you'd like to share? If so send it in for us to post. Included in this issue are dates for our upcoming shows, info for Beach Trail Rides, as well as club general info and results. Got new tack, etc., for Christmas and don't know what to do with the old, place a Classified Ad. We are now offering "Classifieds" in our newsletter, the Rush Riders Express; so check it out if you are interested in placing an individual or business ad.

Our Dec 1st show was at Novato Horsemen's Arena and although we had Jack Frost nipping at our toes [a mere 28 degrees when we started] the weather couldn't have been better for a positively awesome show! We had over 30 riders & 8 new members - we ran 7 Regular events with schooling runs, plus a North Pole Relay Race [4 member family team], a Holiday Horse Decorating Contest, and holiday fun was had by ALL! Please welcome our newest members; **Jason Dougherty, Paula Derrick, Christine Edwards, Krista Eisbrenner, Clara Nichols, Shawn Perry, Art Yee, & Lindsey Williamson**, who all shared in our fun. We missed the Middletown ladies, and Jenna T. who had an emergency appendectomy a few days before. Taylor helped in the announcers booth, still can't ride due to his leg surgery. Also, please welcome back **Mykela Kray** on her new horse Frenchie May they did really well being their first time out getting a Reserve in FC.

The Hambly sisters were chill'n and in the holiday spirit, Rebecca earning Reserve in A & Sarah got a AAA time in Barrels. Rebecca also decorated Scoutie up for the Horse Decorating Contest as a Snowflake. Team Hambly did well in the North Pole Relay, with Sarah & Linda doing the first leg around the barrels, Rebecca on the ground as the Elf, and Sue on Scoutie for the last leg of the race doing Single Stake Leadline with Dave. Yes, folks you should've seen it Sue Hambly was actually riding Mr. Scout - WOW! Way to go team!

The "Peruvian" group brought along three of our newest members; Christine & Chico, Clara & Boogie and Shawn & Sera. They got into the holiday spirit and were all pretty darn cute with those reindeer antlers, glitter and bling. Ashley had some challenges with Kahula but was able to get her on track, Sami got High Point in FC, and Kim got some nice AA times placing 2<sup>nd</sup> in Barrels.

Everyone loves Emmie, that's Billie Jackson's cute little Connemara mare that is smoke'n fast and they got Reserve High Point in AAA. This team is poetry in motion, and boy can Billie ride!

Linda D. finally convinced her son Jason to ride, which is a darn good thing since he is planning on going to State this year. He & "the Boo" were in the groove, did well for their first outing and had a Boo-ba-licious time doing schooling runs. Linda & Skky had some nice rides with some of their best A times ever in Big T, Key Hole & Poles I. Did you see their Hurry Scurry? Skky cut in close to the pole and it was going over, Linda got the pole back up by flicking it with her elbow, and they cut 3 seconds off their previous best time, and earned High Point in A for the day. Team Dougherty did well in the North Pole Relay, with Jason & Boo doing the first leg around the barrels, Laura on the ground as the elf, and Kelley [Jason's friend] on Skky as the Leadline team with Trish. Skky & the Boo were all decorated up with holiday spirit; did you check out those antlers? Skky's blinked on and off & Boo's jingled.

Kelly & Tobi were back and had some really nice rides in all of their events. You would have never known they had not done Keyhole before; Tobi aced it like a pro. Cristina & Shasta were with us for awhile doing time onlys and got AA times in Hurry Scurry & Big T. Christina Elu returned with her cute young palomino paint mare and they are coming along nicely.

Charlie brought his young mustang Bucky to school and friend Justin from Texas tagged along. Art Yee joined us with Whiskey, and had some really nice A times for their first time out, although he wasn't able to convince Whiskey yet that the Hurry Scurry jumps

Congratulations to all!!!! Get ready for the Spring Series which will start at the January 20, 2008 show.

## DISTRICT 33 VALLECITOS SPURS SAN MARCOS AREA By Lori Hall-McNary

Howdy All:  
Many of us riding at the February 10th show will be full of knowledge from attending the Equine Affaire Clinics in Pomona, CA. Remember March we have two shows scheduled the 9th and December's rained out show on March 30th.

Our arena runs fast thanks to Bob Krogh. Yep the same Bob Krogh that tractored at state for those blazing times. The last show we utilized both arenas and most of us got home before dark (first time for me since District 33 begun). Come out and join the fun at Walnut Grove in San Marcos, we have great raffle prizes, excellent cook shack barbeque at added value prices, Grand Entry, Birthday cake to share, good ole family fun.

Ride hard. Ride safe. Wear your helmet.

weren't going to eat him. These three & Ron McLean made up the Men's team for the North Pole relay. Art started the course on Whiskey, handing off to Elf Ron who in turn handed off to Justin on Tucker for the Leadline team with Charlie leading them around the Single Stake. Hey Justin, all of us want to know is that how they ride a horse in Texas!

Boy we haven't seen the McLean's in ages and it was nice having them back. Krista didn't miss a beat riding her two horses and leadlining Jordyn for 3 events. Krista, Chevelle, Trish & Megan Corkill were the Girls Team for the North Pole Relay. Trish & Jesse started things out around the barrels, and then handed off to Elf Megan who in turn handed off to the Leadline team - Chevelle on Tori and lead by Krista. They were the North Pole Relay Winners, also Trish & Jessie were the 1<sup>st</sup> place winners for the Horse Decorating contest and Chevelle & Skky were 2<sup>nd</sup>. Let's just say that GIRLS RULE!

Annette, Claire & Shellie rode between Judging & Announcing; Claire had some smoke'n AAA times on Dinero winning Highpoint in AAA. Shellie & Tori had some nice rides placing 3<sup>rd</sup> overall in AA, and Annette did time onlys on Savannah and was as jolly as old Saint Nick himself.

Krista & daughter, Paula, joined us from Ukiah, and used to ride in the old CGA Dist 37. Krista said she hasn't done gymkhana since then, boy you sure could have fooled us, both these ladies didn't miss a beat and had some awesome runs with Paula getting Highpoint in AA & Krista Reserve in AA.

We would also like to take this opportunity to thank Novato Horsemen's for the use of their facilities, to Karen Kilian for getting out there in the cold and semi-dark to drag the arena, and to the Sue & Dave Hambly for making sure the snack shack was open. We gratefully thank you! Whew, think that's everyone.

**Thank you** to everyone who helped that day and made the day go smoothly - kudos to all for an outstanding job – the more help we get the faster the day will go. No one gets paid in this outfit; it is all run strictly on a volunteer basis, including the judges. So to **Sue & Diane** for volunteering to run the Snack Shack, to **Karen Klebe & Ron McLean** for working the gates, to **Claire, Lindsey, Taylor & Shellie** for announcing, show recording, and tracking times, and to everyone who helped with course set ups and arena crew; **Shellie, Dave, Laura, Kelly, Rebecca, Sarah, Ron, Trish, Chevelle, Jordyn, Mykela, Jason & Linda**, etc. Finally to our awesome Judges; **Annette, Shellie, Lindsey, & Dave**, – we thank you all for your hard work & dedication. Everyone who helped got their name put in the Worker's Drawing and **Kelly Henson** was the winner of the free show package.

Well that is all for now, we are looking forward to seeing all of you at the next show! So ... Let's Ride!

**DISTRICT 50 - SHASTA, LASSEN, TEHAMA AREA**  
**SHASTA CASCADE RIDERS**  
**By Kellee Cropley**

Hello District 50! Happy New Year!!  
It's been a while since I've had the opportunity to write. Unfortunately last month my transmission to CGA did not go through. Sorry everyone. Anyhow, we've been pretty busy the last few months of the season. I have some October, November, and December news to share. October was a real busy month as most of us know. We had two shows, the 14th and 28th and a trail ride the 21st. All were a great success. Unfortunately I don't have all the results but I do have some great news. If we continue to grow and progress in the direction we are going then we have a great start for next years State monies. After our very successful trail ride October 21st it looks like we have the potential to help 3 riders go to State. Again, it depends on the rest of the year but things are looking very good at this point. Also in October we had our Halloween Playday which was a lot of fun and some fabulous costumes. One was Captain Jack Sparrow from Pirates of the Caribbean mounted of course, ship and all. Great costume! We had all fun events, 6 total, and a lot of laughs with the barrel crawl. Some of us over 40 riders with larger girths managed to fit through the barrel and had some great laughs to go along with it. Some of our horses just weren't quite sure what their riders were up to but they stood quietly and watched, others ran. I think it was a very successful day of fun. In November we had one show the 4th and it too was a very good day and that ended our show season for 2007.

On December 8th we had our Annual Christmas Party and Year End Awards. We had a group between 35 and 40 at the Goodtimes Pizza in Palo Cedro with all you can eat chicken, pizza, salad, and all you can drink soda. Each year with this celebration we have a white elephant gift exchange that brings a lot of laughs and chaos but always a lot of fun. This year also brought something extra, the Shasta Cascade Riders were able to purchase hooded sweatshirts with our logo on the back and give to every member for Christmas. Being able to provide all the members with these sweatshirts means a lot to all of us. Look for us at the State Show in July, you can't miss us, our sweatshirts are beautiful. We also presented some very nice year end awards. This year was a little different bringing back an old tradition of awarding gifts that represent the Shasta Cascade Riders. Each division winners received an award based on their year long accomplishments. The awards are as follows:

1st Place Winners received Mayatex 1" Wool Blankets with leather corners reading SCR 2007

CONGRATULATIONS TO EVERYONE FOR A JOB WELL DONE!!!!!!!

Many thanks to everyone involved in making the year 2007 happen. You truly are appreciated.

Those of you who didn't receive an award this year, get ready for next year. We had some wonderful new riders in 2007 as our club has grown significantly. I want to see their names on the Awards list for 2008. Jenny Condon, Kaitlyn Beymer, Cynthia Beymer, Cassidy Thompson, Kory Thompson, and Josh Chauffy to name a few. You are all excellent riders, I WANT TO SEE YOU ON OUR AWARDS LIST NEXT YEAR. I'm rooster for you. Happiest of New Years to Everyone. Looking forward to the coming year.

2008 New Years News

We had our monthly meeting on January 3rd. It was a small meeting but we had several things under discussion. We hope to have our new shed in place by our January 27th show. It has been quite a little project to get the best deal. We also discussed some long term goals for the club, such as the possibility of purchasing land again someday. The idea was well received, now we just need to work out the details of placing money in savings for a future place to call home. More news later. We also discussed purchasing a new set of timing lights or completing the half set we already have. Bob Bucks is looking into the timing lights. We also announced our new venue for meetings, now at Upper Crust Pizza on Churn Creek Road in Redding, same time 7pm first Thursday of the Month.

See ya there. Ride Safe! Wear your Helmets! Sincerest Kellee Cropley

### Explanation of 5-D Jackpots

#### For All CGA State Sponsored Shows

**Note: District's may alter all the Jackpot options as they choose for local shows running jackpots or Mystery jackpots**

Riders may optionally enter a jackpot for any or all of the regular events. The cost is an additional \$5.00 per event, and a rider may choose to enter the Jackpot for none, some, or all of the regular events. These jackpots are unrelated to the rider's division or age, and whether or not they are riding a horse or a pony. They are based strictly on the time the rider achieves in that event. *Only the times of the Riders entering the Jackpots count.* The size of the payout is determined by the number of riders in the jackpot. The Payout is:

Fastest ride	- 40 % of the jackpot
2-D ride	- 30 % of the jackpot
3-D ride	- 10 % of the jackpot
4-D ride	- 10 % of the jackpot
5-D ride	- 10 % of the jackpot
CGA - None.	All jackpot money is paid back to the riders.

2-D, 3-D, 4-D and 5-D rides are those that come the closest (*without going faster*) to the fastest time of those entering the jackpot +(plus) the adjustment factor for that event. The adjustment factors are listed below.

Event	2-D Adjustment	3-D Adjustment	4-D Adjust.	5-D Adjust.
BAR	+ 1.380	+ 2.761	+ 4.141	+ 5.521
BR	+ 1.120	+ 2.241	+ 3.361	+ 4.481
F8F	+ 3.130	+ 6.260	+ 9.391	+ 12.521
F8S	+ 0.820	+ 1.640	+ 2.461	+ 3.281
HS	+ 1.564	+ 3.127	+ 4.691	+ 6.255
KH	+ 1.317	+ 2.634	+ 3.951	+ 5.268
P1	+ 1.534	+ 3.067	+ 4.601	+ 6.135
P2	+ 2.367	+ 4.734	+ 7.101	+ 9.468
QR	+ 1.587	+ 3.174	+ 4.761	+ 6.348
SBL	+ 1.204	+ 2.407	+ 3.611	+ 4.815
SBR	+ 0.814	+ 1.627	+ 2.441	+ 3.255
SSR	+ 0.544	+ 1.087	+ 1.631	+ 2.175
BT	+ 2.035	+ 4.070	+ 6.105	+ 8.140

For example, if the fastest ride in Poles I was 10.990 seconds, and the jackpot was \$400.00, then that rider would receive \$160.00. The rider closest to the 2-D time of 12.524 (10.990 + 1.534) *without going faster* would receive \$120.00. The rider closest to the 3-D time of 14.057 (10.990 + 3.067) *without going faster* would receive \$40.00. The rider closest to the 4-D time of 15.591 (10.990 + 4.601) *without going faster* would receive \$40.00. The rider closest to the 5-D time of 17.125 (10.990 + 6.135) *without going faster* would receive \$40.00.
